Yale's Soccer Prospects.

New Haven, Feb. 7.-Preparations are being made for the spring practice of the Yale soccer team. Yale has a good chance to be well up in the Intercollegiate League this year. Columbia will be her strongest rival for the place, with Pennsylvania and Harvard strong competitors. Columbia won the championship last year, and with nearly all of her men back, her prospects are excellent.

Boston May Play Harvard,

Cambridge, Mass., Feb. 7.-Coach Lewis Peiper, of the Harvard Baseball nine, received an offer yesterday from Secretary Hugh McBreen, of the Boston Red Sox, to bring the Harvard 'varsity team to the Boston Club's grounds for a contest April 12. The matter must be put before the athletic committee of the university, as Harvard, unlike Yale and Princeton, has not played any professional teams for several years.

HOT NEWSPAPER CRITICISMS DROVE MCALEER AWAY

Special to The Washington Herald. These men seenred by McAleer played wonderful ball the first senson, but the next year were unable to do anything. Then the St. Louis papers took up McAleer's case and roested him for his deal. Griffith says McAleer is a splendid field manager, but that he's weak on trades, and that this was the reason he was let out in St. Leuis.

WILL FIGHT FEBRUARY 22.

Nelson-Wolgast Battle to Be Held at Richmond, Cal.

After much backing and filling it is said the forty-five-round bout between Nelson and Wolgast, for the light-weight title, will take place on Washington's birthday at Richmond, Cal., a few miles from Ashland. The fighters, who must make 133 pounds at the ringside, have begun training. Jack Welch will be referee, no doubt, and a new arena will be built for the battle.

COBB NOT INVINCIBLE, DECLARES JOE TINKER

Joe Tinker, the Cubs' crack shortstop, in a recent fanning bee in Chicago, had this to say about Ty. Cobb, the dandy Detroiter: "I hear a lot about Cobb cutting down infielders getting around bases. Why didn't he spike me when he had a chance in the world's championship series in 1907 and 1908? Simply because I know a base runner's rights and

stay in my place. "Cobb slides hard, and a baseman ought to know enough to give him room. No one in the world slides as hard as Frank Chance, but he never spikes anybody, because basemen know him and clear the track. In some of the games of our world's series with the Detroit, Cobb slid Into first and second so hard that lie tore the bags out of place, but we didn't get hurt, and we didn't give him any more room than was coming to him, either.

"Cobb is a hard man to tag, but he isn't half as elusive as Bill Dahlen, whom I consider the best slider in the game. You must have a magnifying glass to find enough of Bill to lay your hand on when he comes in."

JEFFRIES INSISTS ON COAST

> Big Battle Between Johnson and Jeffries Sure to Take Place in San Francisco,

One of Jeffries' closest friends declared vesterday that the fight with Johnson would surely take place in San Francisco on July 4, if for only one round. Jeffries, ne said, was opposed to the climate of Salt Lake City and Nevada, and had made up his mind long ago that Caliornia was the best place for him to train and meet the negro. The boilermaker had some experience

n Nevada when he helped to train Corett to fight Fitzsimmons at Carson City, and ever since he has favored California, where he won battles with Corbett, Fitzimmons, and others.

Furthermore, Jeffries wants to fight Johnson where he is sure of a big crowd, for he does not care to run the risk of osing the winners' share of the purse by default caused by a lack of gate noney. The big fellow knows that Frisco can provide a crowd. Jeff's friend stated that the boilermaker noti St. Mark's, that he would not agree to meet Johnson outside of California, no matter what 81 101 97 80 might be the inducement. 85 75
